My name is Krizia Yao and I hold much love for this university's multicultural community. I wish to uplift it, foster belonging, and create policies of equity. I have attained much experience as a student leader, including being Cultural Chair for the PAL, Activities Director for SHADES, Community Engagement Coordinator for the VPMA Office, and Mentor and Lead TRIO Mentor for SSS.

Platforms:

- Community
  - Discord server to promote events and build rapport amongst organizations
  - Streamline multicultural events via shared Google Calendar
  - Create a series of videos as a guide to students new to the multicultural community for Instagram, the MRC website, and B-Engaged
  - Beautify the Binghamton University campus with POC art
- Equity
  - Build a robust alumni network for students of color through regular networking events and LinkedIn
  - Priority room booking for multicultural organizations on the 3rd floor and select parts of the Union
  - Introduce ghost credits, develop financial literacy workshops, and advocate for an emergency fund for first-gen/low-income students and students of color
- Awareness
  - Educational series of events/graphics on a different issue that affects people of color every month
  - Highlight multicultural achievements and emerging organizations on the VPMA newsletter
  - Advocate for more DEI classes to be added to gen-ed requirements
